

••• **MEDIA INVITATION** •••

Media Members Invited to Opening of Two New Facilities at United Medical Center.

What:

Media members are invited to attend the grand opening of two new medical facilities within United Medical Center. At the celebratory reception, tour the new Specialty Hospital of Washington Long Term Critical Care Hospital and the Specialty Hospital of Washington Skilled Nursing Facility at United Medical Center. The first of its kind in the DC area, the Long Term Critical Care Hospital is a 50-bed unit composed of 35 Medical/Surgical beds and 15 high observation beds. The Skilled Nursing Facility is a 120-bed skilled and intermediate care nursing home that provides an array of services to residents in need of assistance with daily living. Both facilities are located on-site at United Medical Center.

Host:

Specialty Hospitals of America/Specialty Hospitals of Washington.

Date/Time:

Tuesday, December 9th, 5:00-7:30 p.m.

Personal media tours are available for scheduling between 10 a.m. - 3 p.m.

Location:

United Medical Center
1310 Southern Ave, SE
Washington, DC 20032

RSVP:

Lisa Marie Ordakowski of Brotman Winter Fried Communications at 703-533-4834 (office), 703-431-5508 (mobile) or lisa@bwfcom.com.

About United Medical Center

Specialty Hospitals of America was founded under the concept of Healthcare Simplification. Less generally focused, more highly specialized providers of healthcare will provide centers of healthcare excellence in the decades to come. Specialty Hospitals of America (SHA) serves the medical needs of patients who are identified by their primary care and/or specialty physicians as being best served by longer term focused care. The “specialty hospital” is a rapidly expanding concept optimizing medical care for the patient. Physicians and other medical professionals are invited to schedule an appointment and learn how SHA’s “focused facilities” can contribute to their patients’ clinical outcomes and comply with many insurance regulations and policies.
